

## Saskatchewan Association of Fire Chiefs

---

### **FUNERAL DRESS CODE UPDATE**

A lot of inquiries have been made concerning dress code for agencies wishing to attend Firefighter Morrison's funeral service.

Please find the following information below to answer your questions:

- Order of dress will be Class 'A' uniform with gloves and medals. Other uniforms (i.e. Station Blues) are permitted providing they are clean and well prepared. Class 'A' (dress tunic, trousers and forage cap) with gloves and medals are the preferred Order of Dress for the parade.
- 
- If members do not have a Class 'A' uniform, then clean and pressed duty uniform is recommended. We ask is that members from a department or organization are all wearing the same.
- 
- If all you have is a t-shirt or jacket as a uniform, then wear this. A department will not be excluded from participating based on their 'official' uniform. The discretion for approval will be left with the Chief Officer for the respective Department Agencies. “
- 
- We hope this will both clarify the expectation, as well as alleviate any stress on departments and members that wish to participate in the parade.
