WHO ARE WE?

- A dedicated group of firefighters and civilians from throughout B.C. who work to offer a “hand up” to our brother and sister firefighters in less developed countries. All FWB Canada members volunteer their time and energy to collect equipment, educate others about our organization and deliver training when deployed in country.
- We are a nationally registered charity in Canada- Charity# 801361619RR0001.
- We formed originally as “Engines For El Salvador” in 2003; then became Firefighters Without Borders BC in 2008, and in 2009 we evolved into Firefighters Without Borders Canada.
